Browser Security

In class we looked at the security specific features of the three main browsers.
- Internet Explorer 9
- Firefox
- Google Chrome

Task 1: (10 marks)
Write a short note on the security features of one the Browser's above.
Discuss what add-ons should be used to make the Browser more secure.
Give details of where you would go to download these add-ons.

Task 2: (15 marks)
Write a short note on each of the following Browser Security Checkers
- Shields Up
- Qualys Browser Check
- BrowserScope

Task 3: (5 marks)
Use one of the above Browser Scanners to check the security of your browser.
